I don't want Reddy as Supt. of Govt. Garden
He strikes me as a most unsuitable man for the
place - a Lazy clumsy man without any
initiative in his work. He should be sent away back

I would prefer than L.S. Iraswami - if his
services can be spared from the Ag. Dept.

2) It has been decided that Mr. M Narayana Reddy is to revert from his present post of acting Supdt., Govt. Gardens, should revert to the Agricultural Dept. The Director of Agriculture was addressed to spare the services of Mr L.S. Doraswami for employment as Offg. Supdt. G.G., and it is understood that the Director is agreeable to spare the officer

9) Mr L.S. Doraswami is an M.Sc (London) and Ph.D (London) and has not so far been given a permanent appointment. He holds the temporary post of Senior Asst. Botanist on a personal pay of Rs 150-20-350 in which grade he is now getting Rs 230 from 1.2.1937. As he has no substantive lien on any post his pay as acting Superintendent, G.G has to be specially fixed. The pay of the post of Supdt G. is Rs 400-30-700.

10) If the intention is that Mr. Doraswami is to retain a lien on his present (temporary) post in the Agri. Deptt it is for order whether his salary as Offg Supdt G.G. may be fixed with reference to the former and whether he may be allowed an acting allowance of Rs 80 in addition to his grade pay in Agri. 13) While the scales of pay of the Gazetted posts of all departments have been revised on a reduced scale, the scale of pay of the Superintendent, Government Gardens, which now stands at Rs.400-30-700 has not yet been revised. I had suggested that the scale of pay of this post ~~may~~ might be revised at Rs.300-20-500 or Rs.250-25-500 on the basis of the pay of the Superintendent. Civil Veterinary Department and the Superintendent of Sericulture respectively. While fixing the salary of the future incumbents of the above post, the possibility of revision and, in any case, of reducing the minimum pay of the post has to be considered

14) Mr. L.S.Doraswami was appointed as a Temporary Assistant Botanist for a period of five years on Rs.150-20-250 in connection with the scheme for the breeding of thick canes financed by the Government of

of India. This is a special appointment sanctioned for five years (which four years are over) and there is no guarantee that he should be provided with another pos on this pay. When his pay was raised to Rs.150-20-350 is not known. The connected file may be put up. The grade pay Rs.150-20-350 entered in the Civil List appear to be incorrect.

(5) An officer without a substantive appointment offic ting in an appointment has ordinarily to be started on the minimum salary admissible i.e., half the pay of the appointment-Rs.200(Vide articles 71 and 76 M.S.R). In view of the fact that he is allowed higher pay for a specified period against a temporary post financed by the Government of India, which will cease next year and the present grade pay allowed to him is itself liberal, I think that it would be sufficient if his sala is fixed at Rs.250/- for the present, the question of further increase being considered after one year, wh earns an increment in the present temporary appointment.

Submitted to His Highness.

With His Highness's orders, dated 30th January 1937, sanction was accorded to the appointment of Mr. M. Narayana Reddy, Senior Assistant Botanist in the Agricultural Department, as acting Superintendent, Government Gardens, in place of Mr. M.K. Seetharama Chetty retired.

Mr. M. Narayana Reddy accordingly took charge of the office of the Superintendent, Government Gardens, on 12th February 1937. Experience has, however, shown that he is unsuitable for the post not being active and not having sufficient interest in his work. It is therefore proposed to revert him to his original place in the Agricultural Department. In his place, I propose to try Mr. L.S. Doraswami, M.Sc., Ph.D., another officer of the Agricultural Department. The Director of Agriculture is agreeable to spare the services of this officer. Mr. Doraswami holds at present a temporary post of Senior Assistant Botanist in the Agricultural Department and is drawing a pay of Rs.230/- from 1st February 1937 in grade Rs.150-20-250.

The post of Superintendent, Government Gardens, carries a salary of Rs.400-30-700. The Financial Secretary has suggested that it would be sufficient if Mr. Doraswami is given a consolidated salary of Rs.250/- only, as acting Superintendent. Having in view the responsibilities of the post I think that he may be allowed to draw, during the period he acts as Superintendent, Government Gardens, his grade pay in the Agricultural Department and an acting allowance of Rs.80/- per mensem calculated on the minimum pay of the post. He will also have free quarters. The above proposals which have been agreed to by the Members of Council may be graciously approved.
